AWARD

By order No. 6148-I.R./IR/10L-183/60, dated the 28th November 1960, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Shree Viswakarma Industries, 14/1 Krishna Dayal Jalan Road, Ghusury, Howrah, and their workmen represented by Howrah Zilla Balti Sramik Union, 1 Bazar Lane, Bally, Howrah, regarding the matter specified in the schedule, to the Third Industrial Tribunal, constituted under section 7A of the Industrial

Disputes Act, 1947, by notification No. 808-I.R./IR/3A-2/57, dated the 11th March '1957, for adjudication.

Issue

Whether the termination of employment of Seu Narayan Singh is justified? To what relief, if any, is he entitled?

The reference relates to an industrial dispute existing between Messrs. Shree Viswakarma Industries of 14/1 Krishna Dayal Jalan Road, Howrah (hereinafter be referred to as the Company), and their workmen represented by Howrah Zilla Balti Sramik Union (hereinafter be referred to as the Union).

It was received in December 1960 and immediately thereafter notices were issued for service upon both the parties who duly entered appearance on receipt of the notice. They also filed their respective written statements. The case of the Union as stated in the written statement is as follows:—

That the Company is an old and prosperous concern carrying on bucket manufacturing business. It earns huge profit every year, but does not pay proper remuneration to its workmen who having failed to impress upon the Company about their individual grievances, have organised themselves and formed their Union.

That Shri Seu Narayan Singh, who was a permanent workman of the Company, was an active member of the Union and because of his activities as such he incurred the displeasure of the Company.

On 16th December 1959 the Company, therefore, wrongfully charge-sheeted him on the allegation that he had instigated people to an illegal strike. The workman submitted an explanation. He was again charge-sheeted for having violated factory discipline and causing disturbance inside the factory and also for instigating other workmen to an illegal strike. There was a show of enquiry in April and May 1960. The concerned workman was not given proper opportunity to defend himself but he was arbitrarily dismissed from service with effect from 10th May 1960.

There was no justification for the order of dismissal. Hence the dispute.

The Company has resisted the Union's claims by denying the alleged arbitrary dismissal of the concerned workman without holding proper enquiry on account of his trade union activities. The Union's case, on the contrary, is that the concerned workman Shri Seu Narayan Singh was charge-sheeted on 16th December 1959 for idling away while on duty and at the same time instigating other workmen to remain idle. He having refused to accept the charge-sheet, it was sent to him by registered post with acknowledgment due. He failed to submit an explanation called for from him. Then again, on the 23rd December 1959, he made a forcible entry into the factory premises along with an outsider and instigated the workmen to resort to an illegal strike, in consequence of which the management had to close the factory after declaring a lock-out. Shri Seu Narayan Singh was again charge-sheeted on the 24th December 1959 for the aforesaid misconduct of his. Thereafter in pursuance of a tripartite agreement the lock-out was lifted and order of suspension was withdrawn, but the charge-sheet remained for proper enquiry which was actually done by Shri M. N. Gupta, an officer of the Company. The management after due consideration of his finding and recommendations dismissed the workman from 10th May 1960. There was nothing mala fide in the charge-sheet and the enquiry that followed. It was not a case of victimisation for unfair labour practice. The Company was not at all aware if the concerned workman was an active member of the Union. There was nothing mala fide in the action of the Company taken against the concerned workman and as such he is not entitled to get any relief.

Decision

The Union examined two witnesses only and the Company examined four witnesses and tendered into evidence a number of documents.

Admittedly Seu Narayan Singh was in the employ of the Company in the Galvanising Department. He was drawing a monthly salary of Rs. 55 before his dismissal was effected on the 10th May 1960 as a result of a domestic enquiry in respect of charges of misconduct levelled against him by the Company. P.W. 1 Shri Seu Narayan Singh admits the domestic enquiry which was held by D.W. 3 Shri Madhabendu Nath Gupta. The workman was first charge-sheeted on 16th December 1959. Exhibit B is the copy of the charge-sheet. The evidence shows that the workman having refused to accept the charge-sheet it was sent to him by registered post with acknowledgment due (vide Ext. B/1). By this document the workman was charged for instigating other workmen to remain idle while on duty. The workman was asked to explain his conduct within two days. But according to the Company the workman did not care to submit any explanation. On the contrary, he went on creating further trouble and on the 23rd December 1959 he brought into the factory one Chandradeo Shaw who was an ex-employee and was previously dismissed from service, in spite of the durwan's protest and at the same time instigated an illegal strike and resorted to indiscipline and physical violence, in consequence of which the factory had to be locked out. Exhibit D is the charge-sheet, dated 24th December 1959. This document shows that the Company wanted dismissal of the workman with immediate effect. This letter, as I have stated, is dated 24th December 1959 and the workman having refused to accept, it was sent to his residence by registered post with acknowledgement due. But before it reached the destination the Company amended the order on the very next day, i.e., on 25th December 1959 (vide Ext. D/1) and thereby the workman was called upon to submit an explanation within 48 hours from the receipt of this letter. He was also informed that he would remain under suspension pending an enquiry into the charges levelled against him. The workman Shri Seu Narayan Singh refused to accept both the charge-sheets (Exts. B and D), dated 16th December 1959 and 24th December 1959. Therefore, they were sent to his same residential address by registered post with acknowledgment due as will appear from the posting receipts (Ext. B/1 and another one appended to Ext. D). The workman admits to have submitted explanation to the second charge-sheet but he did not offer any explanation to the first one. He has stated before the enquiring officer that he does not

accept all the letters tendered to him by the Postal Department, but he exercises his discretion in the matter of acceptance of letters addressed to him by registered post. That shows that something works in his mind for refusal of letters. He does not say that he submitted any explanation to the charge-sheet, dated 16th December 1959. In the second charge-sheet, dated 24th December 1959, it was mentioned that his failure to submit an explanation tantamounts to gross misdemeanour under the standing orders. The workman was further charged for violating the specific direction of the management contained in notification No. 3, dated 21st December 1959, and in bringing an outsider into the factory compound by disregarding the objection of the durwan on duty. He was further charged for instigating an illegal strike and resorting to violence and indiscipline as a result of which the management had to declare a lock-out. Initially the Company ordered dismissal of the workman but this portion of the order contained in the letter (Ext. D), dated 24th December 1959, was excluded and expunged and a modified order was issued to the workman with all promptitude by a letter, dated the 25th December 1959 (Ext. D/1). In this modified order it was made abundantly clear to the workman concerned that the management did not take any decision as to the punishment of dismissal, but he was called upon to submit explanations to meet the charges levelled against him. It was also made clear to him that there would be an investigation of the charges. Pending the investigation he was placed under suspension. The workman admits to have submitted written explanations but it was not placed before the tribunal by any of the parties. Be that as it may, it is admitted that there was a domestic enquiry held by Shri M. N. Gupta, an Officer of the Company attached to its Head Office. The workman admits to have knowledge of the enquiry. He received notices of the enquiry (Exts. F and G series). He attended the enquiry with his representative. He himself gave evidence and also examined his witness before the Enquiring Officer Shri Gupta. He has not complained of any bias or favouritism against the Enquiring Officer Shri Gupta who is not employed in the factory and the workman had nothing to complain against him or the manner in which he conducted the domestic enquiry. Therefore, in the domestic enquiry the delinquent had free and fair opportunity to place his case before the Enquiring Officer. Exhibit I is the original enquiry proceedings and Ext. I/1 is the finding of the Enquiring Officer. The management on acceptance of the said finding dismissed the workman from service with effect from 10th May 1960. The order of dismissal was communicated to him by letter, dated 9th May 1960 (Ext. H).

The Hon'ble Supreme Court has laid down in the cases of Indian Iron & Steel Co. Ltd. (1958 L.L.J. Vol. I, 260) and G. Mackenzie & Co. Ltd. (1959 L.L.J. Vol. I, 285), that though the management of a concern has power to direct its own internal administration and discipline, in a case of dismissal, but the said power is not unlimited and the industrial tribunals have been given the power to see whether the termination of service of a workman is justified and to give appropriate relief. It was further observed that in cases of dismissal on misconduct the tribunal does not, however, act as a court of appeal and substitute its own judgment for that of the management. Industrial tribunals will interfere—

(1) when there is want of good faith,

(2) when there is victimisation or unfair labour practice,

(3) when the management has been guilty of basic error or violation of principle of natural justice, and

(4) when on the materials, the finding is completely baseless or perverse.

In the instant case, I have already found that the concerned workman has not complained of any bias or unfairness in holding the enquiry by the Enquiring Officer Shri Gupta. On going through the enquiry proceedings (Ext. 1) I find that the workman had free and full opportunity to cross-examine the witnesses of the Company and at the same time he adduced his evidence and examined some witnesses of his. It is clear from his own statements before the Enquiring Officer that he himself took an outsider Shri Chandradeo Singh into the factory premises on 23rd December 1959 disregarding the protest of the durwan on duty at the gate and in doing so he used physical force against the durwan. He admits that another workman who helped him in this act of his is Bhrigunath. He also admits that he did no work on that day although he attended the factory. His statements clearly support the written report (Ext. A/1), dated 23rd December 1959, submitted to the management by Shri Regin Singh, durwan, who was on duty on that day at the factory gate. D.W. 4 Shri Regin Singh has also corroborated the facts so reported by him earlier. It is admitted by the Union that Shri Chandradeo Singh was not in service at the relevant time. This man was taken inside the factory by the concerned workman disregarding the durwan's protest and in violation of the Company's order contained in Company's notification No. 3, dated 21st December 1959. Presumably this was done by the concerned workman with a view to create trouble inside the factory which he actually did as would clearly appear from the evidence adduced before the Enquiring Officer and also before this tribunal. The concerned workman, as will appear from his evidence before the Enquiring Officer as well as from the evidence before this tribunal, instigated other workmen to stay within the factory and to strike work. So, there was no work on 23rd December 1959. But the evidence of the concerned workman Shri Seu Narayan Singh before the Enquiring Officer is that there was work done by them. He says that as soon as they entered into the factory it would be presumed that they were at work. So, on that impression he says that they having been present inside the factory premises were at work. That speaks of his attitude in respect of his employer. He demands pay as of right in view of his mere physical presence inside the factory compound without actually attending to any work. It is clear from the evidence that he was not at all peaceful but he incited the workmen to strike and showed physical violence to D.W. 1 Shri Ramchiz Singh, the Works Manager of the Company and D.W. 2 Shri Bhaskar Chaudhury, the Assistant Manager of the Company. He admits that on 16th December 1959 he along with others struck work from 8 a.m. to 12 noon. Reason for the strike, according to him, was that the Works Manager Shri Ramchiz Singh abused the workman.

This story he himself could not support in his evidence before the Enquiring Officer. He admits that he did not hear the Works Manager abusing any workman nor he can say where and at what time he abused the workman. So, he was not at all a truthful person. He was after creating troubles and actually he did so not only on 16th December 1959 but also on 23rd December 1959. There is clear evidence to show that he attended the factory on 23rd December 1959 along with an ex-employee Shri Chandradeo Singh who had no business to go inside the factory and in doing so, the workman Seu Narayan Singh not only deliberately violated the order of his employer but at the same time used physical force and violence against the employer's durwan on duty at the gate. Even after entering into the factory he became all the more violent and attacked the Assistant Manager and the Works Manager of the Company and at the same time incited the workmen to strike without justification. The situation became so tense that Police help had to be sought for safety and security of the life and property of the employer and his superior employees. There is evidence to show that Police rescued the Assistant Manager Shri B. Roy Chaudhury (D.W. 2). The management had to declare a lock-out immediately by issuing notice (Ext. C), dated 23rd December 1959. This ban was, however, lifted later on in terms of a tripartite agreement (Ext. E) arrived at on 7th January 1960. In terms of the agreement the order of suspension was withdrawn but the charge-sheets were allowed to remain for investigation. The concerned workman Seu Narayan Singh was allowed to join after withdrawal of the order of suspension, but he was, however, subsequently dismissed with effect from 9th May 1960 as a result of the finding of the enquiry into the charges levelled against him. I have found nothing wrong and irregular in the enquiry proceedings. On the contrary, I have noticed that there was sufficient evidence before the Enquiring Officer to warrant the finding arrived at by him. The conclusion is in no way perverse or baseless.

It has been urged before me by the Union that the workman was an active member of the Union. So, the Company's action against him was with a motive to get rid of him. It was done by way of victimisation, or unfair labour practice.

The Company has, of course, neither admitted nor denied that the delinquent is a prominent member of the Union but there is sufficient materials at the domestic enquiry to establish the charges against the workman as I have already discussed and found. I have also found that it was a fair and bona fide enquiry in which rules of natural justice were not violated. There was no bias or unfairness complained of against the Enquiring Officer.

There is, I find, no substance in the Union's contention. It is not a case of victimisation or unfair labour practice as alleged.

Therefore, in my view, for the above facts and circumstances, the Company is justified in taking the action against the workman by way of his dismissal and any interference by this tribunal will be uncalled for.

In the result, the workman concerned is not entitled to any relief.

This is my award.

By order No. 867-I.R./IR/4L-16/60, dated Calcutta, the 27th February 1960, Government of West Bengal, Labour Department, referred an

industrial dispute between Messrs. Serampore-Bandel Bus Association (Route No. 2) and their workmen represented by the Serampore-Chinsurah-Boinchee Bus Workers' Union to the Second Labour Court for adjudication regarding the issue contained in the order of reference.

Issue

1. Is the dismissal of Shri Satcourie Roy Choudhury justified? To what relief, if any, is he entitled?

The case of the Serampore-Chinsurah-Boinchee Bus Workers' Union, the Union mentioned in the order of reference briefly stated, is as follows:

Shri Satkori Roy Choudhury, the workman mentioned in the issue of the order of reference, was a starter under Messrs. Serampore-Bandel Bus Association (Route No. 2), for about 8/9 years. He is an important office-bearer of the Union and contributed a lot to the formation of the Union. The Association did not take his Union activities in good grace and started harassing him in various ways. On 15th March 1959 the Association issued a charge-sheet to him without any justification making some baseless allegations against him. He gave his explanation in time denying the charges as baseless. Thereafter the Association decided to dismiss him without holding any proper enquiry and suspended him. An adjudication proceeding between the Association and the Union was pending before this Court (Second Labour Court) then. So the Association applied to this Court for permission to dismiss Shri Satkori Roy Choudhury. This Court became functus officio before it could dispose of the above application. So the Union contends that the action of the Association in keeping Shri Satkori Roy Choudhury under suspension with the intention to dismiss him is unjustified.

The Association has raised a preliminary objection to the effect that this is not an industrial dispute on the ground that the workmen of the Association are not members of the Union in question. As to the merits of the issue, the Association states that Shri Satkori Roy Choudhury was charge-sheeted for his gross misconducts of remaining absent from duty during hours of duty and of making back entries in the way bills. He submitted his explanation to the charge-sheet. After receipt of the explanation he was informed by a letter, dated 4th April 1959, that an enquiry about the charge-sheet would be held on 10th April 1959. On that date, i.e., on 10th April 1959 he informed the Association by a letter that his wife was suffering from illness and that as such it would not be possible for him to attend the enquiry fixed for that date. Accordingly the Association adjourned the enquiry to 23rd April 1959 and informed him accordingly. On that date he attended the enquiry and participated in it by making his own statement and by cross-examining some witnesses of the Association. The result of the enquiry clearly established that Shri Satkori Roy Choudhury was guilty of the charges mentioned in the charge-sheet. The report of the enquiring officer and all connected papers were placed before a meeting of the executive committee of the Association on 21st May 1959; the executive committee after going through all the relevant papers unanimously recommended that Shri Satkori Roy Choudhury should be dismissed and forwarded the matter to the general meeting of the Association for approval. The executive committee also resolved that until the decision of the general meeting he should be kept under suspension with immediate effect. The Association sent a copy of the above resolution of the executive committee to Shri Satkori Roy Choudhury and suspended him with immediate effect. A general meeting of the Association held on 10th June 1959 approved of the recommendation of the executive committee that Shri Satkori Roy Choudhury should be dismissed from service. The meeting also directed that since he was a protected workman, an application should be made before the Second Labour Court for permission to dismiss him and that he should be kept under suspension until such permission was received. Accordingly the Association made an application under section 33(3) of the Industrial Disputes Act before the Second Labour Court for permission to dismiss him. While that application was pending, conciliation proceedings started, and thereafter came the present order of reference.

Findings

The Association has raised a preliminary objection that the workmen of the Association are not members of the Union in question; but the Association has adduced no evidence in support of that contention. On the other hand, P.W. 1, Shri Satkori Roy Choudhury, says in his evidence that all the employees of the Association except one are members of the Union. The Association has not been able to show anything to discredit this statement of P.W. 1. So it must be held that almost all the employees of the Association are members of the Union. Hence I decide that this is an industrial dispute and reject the preliminary objection of the Association.

As to the merits, it is the common case of both sides that Shri Satkori Roy Choudhury was suspended pending permission of this Court. Neither side says that he was subsequently dismissed. So the issue in the order of reference as to whether the dismissal of Shri Satkori Roy Choudhury is justified is not literally correct. But since he has been under suspension uptil now, this suspension is virtually dismissal. So the issue in the order of reference, though not literally correct, is materially apposite. Hence I am passing this award on the issue as framed in the order of reference.

The Union has stated in its written statement that no proper enquiry about the charge-sheet was held. P.W. 1 says that an enquiry was held on 10th April 1959 in his absence; but O.P.W. 1 Shri Sunil Kumar Roy, the then Secretary of the Association says in his evidence that the enquiry to be held on 10th April 1959 was postponed on receipt of a letter of Shri Satkori Roy Choudhury. Shri Satkori Roy Choudhury has no direct knowledge that any enquiry was held on 10th April 1959. So I disbelieve his statement that any enquiry was held on 10th April 1959. Both sides admit that an enquiry was held on 23rd April 1959. Shri Satkori Roy Choudhury admits that he was present at the enquiry. He says that he was not allowed to cross-examine the witnesses of the Association at the enquiry. On the other hand, the evidence of the Association is that he did not cross-examine two of the three witnesses of the Association examined at the enquiry. As to the third witness, viz., Shri Parbati Charan Kundu, the

third question put by him was an abusive one; so the enquirnig officer intervened and asked him to put proper questions. At this Shri Satkori Roy Choudhury refused to cross-examine Shri Kundu any further. The Association has produced the proceedings of the enquiry and has also examined the enquiring officer and two of the witnesses of the Association who were examined at the enquiry. On a consideration of their evidence and of the evidence of Shri Satkori Roy Choudhury who is the only witness on behalf of the Union, I hold that the version of the Association as to the cross-examination of the witnesses by Shri Satkori Roy Choudhury is true. So I reject the contention of Shri Satkori Roy Choudhury that he was not allowed to cross-examine the witnesses of the Association at the enquiry. It is true that there is a divergence between the evidence of the enquiring officer (O.P.W. 3) and of the then Secretary (O.P.W. 1) as to the manner in which O.P.W. 1 gave his evidence at the enquiry. Whereas O.P.W. 1 says that he wrote his statement beforehand and produced it at the enquiry, O.P.W. 3 says that he wrote his statement at the place of the enquiry. There is also a divergence as to whether the papers in support of the statement of O.P.W. 1 were handed over to Shri Satkori Roy Choudhury. On a consideration of the relevant circumstances and of the probabilities of the case, I hold that the evidence of O.P.W. 1 that he had written his statement beforehand and that the papers in support of the statement were on the table for inspection by Shri Satkori Roy Choudhury is true. It is also on evidence that the statement of O.P.W. 1 was read over and explained to Shri Satkori Roy Choudhury. So the fact that the statement of O.P.W. 1 was written beforehand and that the papers in support of his statement were not actually handed over to Shri Satkori Roy Choudhury does not prove that the enquiry was not properly held. Shri N. R. Roy, Advocate appearing for the Union, has made a grievance that the signatories of the papers produced in support of the statement of O.P.W. 1 were not examined at the enquiry, and that as such Shri Satkori Roy Choudhury got no opportunity to cross-examine them. So he contends that the enquiry has been vitiated on account of the violation of the principles of natural justice. In support of his contention he has referred to a decision of the Calcutta High Court in the case of Choudhury reported at page 494 of L.L.J. 1957, Volume I. But in that case certain witnesses examined behind the back of the charge-sheeted workman, were not tendered for cross-examination. In this case the signatories of those papers were not examined at the enquiry; so no question of tendering them for cross-examination by Shri Satkori Roy Choudhury arises. The papers were on the table for his inspection; he could examine them and cross-examine O.P.W. 1 who produced those papers. It appears from the statement of Shri Satkori Roy Choudhury at the enquiry that he perused some of those papers. So if he did not choose to cross-examine O.P.W. 1 about those papers, this cannot vitiate the enquiry. There is another circumstance in the enquiry to which my attention has been drawn by Shri N. R. Roy. It appears from the evidence of the Association before me that all the witnesses of the Association at the enquiry were present together at the enquiry at the time of their examination. Though this is a technical flaw, it does not materially effect the fairness of the enquiry, because by far the most important witness was O.P.W. 1. Even if it be held that the enquiry was vitiated on this or that ground, the Association has produced complete evidence before me in support of the charges mentioned in the charge-sheet issued to Shri Satkori Roy Choudhury. That includes the documents, some of which were produced in support of the statement of O.P.W. 1 at the enquiry. Those documents have been marked exhibits in this case on admission of the Union. Exhibits A(20), A(23), A(38), A(39), A(40), A(41) and A(42) together with the oral evidence of O.P.W. 1 prove that Shri Satkori Roy Choudhury was absent from the place of duty on the dates and between the hours mentioned in the charge-sheet. The hours are from 5-45 a.m. to 6-10 a.m. Shri Satkori Roy Choudhury has stated in his evidence that the hours of his duty started at 6 a.m. So he contends that he cannot be charge-sheeted for his absence from 5-45 a.m. O.P.W. 1 however says that the hours of duty of Shri Satkori Roy Choudhury started at 5-45 a.m. It is noteworthy that in his explanation (Ext. 1a) to the charge-sheet Shri Satkori Roy Choudhury does not say that his hours of duty started from 6 a.m. He says in the explanation that if he was late, the Association could deduct casual leave for one day for late attendance on three consecutive days. Shri N. R. Roy, Advocate appearing for the Union, has argued that in the previous case before me that Association stated in its evidence that the relevant hours of duty started at 6 a.m. and that I made a finding to that effect in my award in that case. But on a perusal of my award and of the evidence of the Association in that case, I find that the Association did not state so. In that case also the Association stated that the hours of duty at a sub-station started at 5-45 a.m. It is admitted in this

case that Shri Satkori Roy Choudhury was on duty at Taldanga, which is a sub-station. The exhibits produced and the evidence adduced on behalf of the Association also prove that Shri Satkori Roy Choudhury made some back entried in the way bills. They also prove that O.P.W. 1 found Shri Satkori Roy Choudhury absent on 1st March 1959 and 6th March 1959. As to absence on 1st March 1959, Shri Satkori Roy Choudhury has explained that he went to answer call of nature. Even if this explanation be accepted as satisfactory, there is no answer to other charges mentioned in the charge-sheet. Hence I hold that the evidence adduced before me proves the other charges in the charge-sheet beyond any shadow of doubt. These charges are so serious in consideration of the nature of work of a starter that dismissal is the proper punishment for them.

In view of the above considerations, I hold that the dismissal of Shri Satkori Roy Choudhury is justified. Hence he is not entitled to any relief.

AWARD

The above dispute over the issue given in the order of reference and re-produced below was referred for adjudication to this Tribunal by the Government of West Bengal, Labour Department, order No. 7483-I.R./IR/11L-481(A)/61, dated the 1st December 1961.

The issue referred for decision is as follows:—

Issue

Whether the refusal of employment to Shri Nandalal Ram is justified? To what relief, if any, is he entitled?

After receipt of the reference, usual notices were issued to the parties and the notices were served. Both parties appeared on the first date. Then the Union took several adjournments for filing written statement and there were also some defaults in the appearance by the parties on some dates. Finally, 12th March 1962 was fixed for filing written statement by the Union. On that date, instead of filing any written statement, the Union, together with the Company and the concerned worker himself, filed a joint petition of compromise setting out the terms upon which the dispute under reference had been amicably settled between them and praying for a compromise award on the basis of those terms. I heard the representatives of the parties on that day and I was satisfied that there had been a bona fide settlement of the dispute between the parties in terms of the joint petition. I have also considered the terms of compromise and they appear to me to be quite lawful and fair. So, the case is to be disposed of by a compromise award.

In the result, I make a compromise award in terms of the joint petition of the parties filed on 12th March 1962, a copy whereof is made a part of the award as an Annexure.

STATEMENT OF OBJECTS AND REASONS.

The Tulsiram Lakshmi Devi Jaiswal Hospital, Lillooah, Howrah, was established under a Trust Deed executed on the 18th February, 1946 by Sm. Lakshmi Devi, widow of late Tulsiram Jaiswal. Shri Bandi Prosad Jaiswal and Shri Saila Kumar Mukherjee (or their successors) were appointed Trustees. The said Trust Deed provided for the establishment of a hospital with 50 beds, the number being increased to 500 within a period of seven years from the date of the establishment of the hospital. It also provided for the establishment of a Medical College.

The Trustees have not, however, been able to establish a Medical College or to provide the stipulated number of beds. They have been maintaining 40 beds only. They took up construction of a multi-storied building for expansion of the hospital but could not make any progress for want of funds. The Trustees accordingly approached the State Government with a proposal to take over the hospital with its assets and liabilities for expansion, improvement and maintenance, excluding the "Basu Memorial Leprosy Clinic" which is located in the hospital compound but is separate from the hospital.

In a congested industrial area like Howrah there is urgent need for increasing existing hospital facilities. According to estimate there should be about 600 hospital beds but there are only 252 beds in the Howrah General Hospital.

With a view, therefore, to making provision for an adequate number of beds to meet the requirements of the locality by expanding and improving the Tulsiram Lakshmi Devi Jaiswal Hospital it is proposed to take over the institution through legislation and run it as a State institution.

The Bill has been drafted with that object in view.

J. R. DHAR,
Member-in-charge.

CALCUTTA,
The 23rd March, 1962.

FINANCIAL MEMORANDUM.

Attention is invited to clause 3(c) & (d) of the Tulsiram Lakshmi Devi Jaiswal Hospital Bill, 1962. The hospital has at present 40 beds. The State Government on taking over has to complete the construction of buildings which are lying unfinished and on completion of such construction along with constructions of ancillary buildings (Staff Quarters, etc.) it will be possible to provide 260 beds. The financial implications in this connection are estimated as follows:—

A. Non-recurring.

I. Buildings:

(a) Hospital buildings as per estimates of the Public Works Department.	Rs.	12,59,000
(b) Staff Quarters as per type plans.	Rs.	11,19,000
Total ..	Rs.	23,78,000

II. Equipments:

(i) Equipment at the rate of Rs. 3,000 per bed for 220 additional beds.	Rs.	6,60,000
(ii) Ad-hoc provision for equipment for 40 existing beds at the rate of Rs. 1,500 each.	Rs.	60,000
Total ..	Rs.	7,20,000
TOTAL Non-recurring expenditure (Rs. 23,78,000 plus Rs. 7,20,000).	Rs.	30,98,000

B. Recurring expenditure—

Staff and other expenditure	Rs.	7,80,000 p.a.

Moreover, according to clause 3(c) of the Bill all debts and liabilities of the hospital as it will actually stand on the date of taking over will have to be accepted by State Government.

STATEMENT OF OBJECTS AND REASONS

The living conditions of labour employed in the iron ore mining industry are not satisfactory. A Working Group set up in 1956, which included representatives of employers and workers, while commenting on the unsatisfactory labour conditions in mines surveyed by them, recommended that a welfare fund financed by a special cess should be set up on the pattern of the Coal Mines Labour Welfare Fund or the Mica Mines Labour Welfare Fund. This recommendation has also been supported by the tripartite Industrial Committee on mines other than coal, which included representatives of State Governments. It is not the intention to take over completely the responsibility of the employers in the matter of provision of welfare facilities, but it is proposed to levy a cess on all iron ore produced and to utilize the proceeds of the cess for providing labour employed in the iron ore mines with welfare facilities comparable to those now being provided in the coal and mica mines. The Bill seeks to give effect to these proposasls.

G. L. NANDA.

NEW DELHI;
The 21st November, 1961.

FINANCIAL MEMORANDUM

Clause 2 of the Bill provides for the levy of a cess at such rate not exceeding 50 naye paise per metric tonne of iron ore produced, as the Central Government may fix from time to time. It is expected that the cess at the maximum rate of 50 naye paise per metric tonne will yield about rupees forty lakhs per annum. After meeting the expenses incurred on Advisory Committees, etc., the balance will be utilized, subject to appropriation by Parliament, on the objects specified in clause 3 of the Bill.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 8 of the Bill empowers the Central Government to make rules for carrying into effect the purposes of the Act. Matters in respect of which such rules may be made are specified in that clause. They *inter alia* relate to the collection of the cess and the determination of the cost of such collection, the manner in which the amount of the cess is to be applied, the conditions governing the grant of moneys to State Governments, etc., in aid of any approved schemes, the standard of welfare facilities to be maintained by mine managements for purposes of obtaining grants and the limits to be imposed on such grants, and the composition of the Advisory Committees. Rules made under this clause may also provide that a breach of any such rule shall be punishable with fine.

The scope of clause 8 is thus limited to matters of procedure or detail and the delegation is of a normal character.

(20) Shri Harimohan Seal, and
(21) Shri Biswanath Patra.

This reference is in respect of dismissal of 21 workmen of the Bengal Fine Spinning & Weaving Mills Ltd. of Konnagar, district Hooghly. The Union's case is as follows:—

The 21 workmen under reference were all permanent workmen of the Company and were members of the Union. These workmen under reference as representatives of the workmen of the

Company represented their grievances before the management and thus incurred the displeasure of the management. The 21 workmen were dismissed on different dates. The Union alleges that "there were practically no enquiries after the employees had submitted their replies to the charges". It is stated that "the action of the management in dismissing the workmen was wholly illegal, mala fide, and against all principles of natural justice". The Union prays for an award "directing the Company to reinstate all the workmen with full compensation for the period of forced unemployment".

The Company denies the allegation of the Union that the workmen under reference ever incurred the displeasure of the management for any Union activities. The 21 workmen under reference were charge-sheeted for various offences to which they gave their explanations. The Company alleges that enquiries were held against all these workmen and that after proper enquiries the workmen having been found guilty of the offences they were charged with were dismissed from service, that the action of the Company was just and proper and that there was no violation of principles of natural justice.

Decision

The Union in its brief written statement merely stated that the workmen under reference incurred the displeasure of the management of the Company for representing the grievances of the employees of the Company, that they were victimised for their Union activities and that the action of the management was wholly illegal, mala fide, and against all principles of natural justice. The Union admits that the workmen under reference were charge-sheeted by the Company to which they gave their replies. The Union does not say that there were no enquiries at all, but it says that there were "practically no enquiries" and its contention is that the Company's action was illegal. The Union does not state anywhere in the written statement as to the exact nature of the charges, the specific denials and allegations of the workmen under reference and specific instances of commission of mistakes or errors or omission to observe the rules of procedure in holding the enquiries and dismissing the workmen. There is merely a repeatation of the stock phrase—"violation of principles of natural justice".

The Company, on the other hand, has given a statement containing all the necessary particulars in respect of the charges against each of the workmen under reference.

Both the parties adduced evidence and it was submitted by the Union at the time of hearing that serial No. 3, Rudra Protap and No. 16, Moni Sankar Shaw, having withdrawn from the dispute, their cases need not be gone into and the Union prayed that a 'no-dispute' award might be passed in respect of these two workmen.

Both parties submit that the cases of serial Nos. 1, 2, 14, 17, 18 and 20 may be considered individually and there are two groups of workmen whose cases may be considered collectively—one group consists of serial Nos. 4 to 13 and the other group of serial Nos. 15, 19 and 21. I will now take up the cases of workmen serial Nos. 1, 2, 14, 17, 18 and 20, individually, and the cases of two groups separately:

Serial No. 1, Bibhuti Singh Roy

The Company's case against this workman is that he was a Ring Frame Piecer working in one of the Japanese Frames in the Japanese line in one part of the factory and some other workers were working in the Texmaco Frames in the Texmaco Line in another part of the factory. The Texmaco Frames had double sides but the Japanese Frames had single side for the workmen to work upon. On 18th October 1957 this workman forced his appearance in the Texmaco Line and instigated the workers there not to work on double sides and he threatened them with assault if they continued working the Texmaco Frames on double sides. Some workers of Texmaco Line stopped work due to this intimidation and Shri Bibhuti Singh Roy refused to obey the departmental mistry or the Assistant Spinning Master and in addition to giving out threats to the workers working the Texmaco Frames he also gave a threat of an impending strike. Written complaints were received by the Manager from the mistry-in-charge of the department, Shri Govind Nayak and from the Assistant Spinning Master Shri Jyoti Prakash Mitra (Exts. G1 and G). It appears from these two complaints that serial No. 1 Shri Bibhuti Singh Roy instigated the workers working Texmaco Frames on double sides asking them to stop work and that work in several frames of the Texmaco Line were stopped. This happened on 18th October 1957. O.P.W. 7 Shri Venkatrama Iyer, the Manager of the Mill, says that he called the workman Shri Bibhuti Singh Roy at an enquiry on 19th October 1957 after he had been charge-sheeted, that the written complaints against him were read over and explained to him and that the workman refused to cross-examine any witness of the Company. It is the common case of the parties that Shri Singh Roy was dismissed on 19th October 1957. P.W. 1 says that he was dismissed on 19th October 1957. The Company has filed the record of proceedings of the enquiry (Ext. B). P.W. 1 Shri Singh Roy denies having attended any enquiry or having any knowledge of it, whereas O.P.W. 7 the Manager says that a departmental enquiry was held against this workman on 19th October 1957 and that the workman was present who declined cross-examination of the witnesses and refused to sign the papers connected with the proceedings. I have considered the testimony of P.W. 1 Shri Singh Roy and O.P.W. 7, the Manager and I do not see anything to disbelieve the Mill Manager who, in my opinion, spoke the truth. I find that the departmental proceedings were held against Shri Singh Roy on 19th October 1957 and that the workman concerned was present at the enquiry. I have gone through the written complaints (Exts. G and G1) and the records of the proceedings (Ext. B) and I believe that Shri Singh Roy was guilty of inciting or instigating the workers working on the Texmaco Frames and that the departmental enquiry was properly conducted. P.W. 1 Shri Singh Roy in his testimony denied almost everything. It appears to me that he was not prepared to tell the truth. There was admittedly an application under section 33 of the Industrial Disputes Act before the First Industrial Tribunal where an omnibus reference was pending then. As the allegation against serial No. 1 Shri Singh Roy was proved by the complaints against him given by the departmental mistry and the Assistant Spinning Master and as the departmental enquiry was properly conducted in presence of the workman concerned. I find that his dismissal was justified. He is therefore not entitled to any relief.

Serial No. 2, Shri Bhagmati Singh (Durwan)

The Company's case is that in spite of orders on the durwans not to permit lorries inside the Mill premises on Sundays this durwan Shri Singh permitted a lorry to enter the Mill premises on Sunday, the 6th July 1958. He was charge-sheeted (Ext. D1) and he gave his reply to it (Ext. E1). Exhibit C shows that he was suspended for one day for misconduct just a month before, i.e., on 9th June 1958. The allegation that he permitted a lorry to enter the Mill premises on Sunday was not denied by this workman but in his evidence before me he puts the blame on the Jamadar. There is another allegation against him that on 9th July 1958 while he was supposed to be on duty at the Mill gate, he absented himself from duty at his post at 5 p.m. This allegation is also admitted by the workman concerned. It is the case of the Company that he was tending his cattle near the railway station but the workman says that he left his post to see his ailing wife. The workman produced a medical certificate but did not examine the doctor who was said to have given him the certificate. As the doctor has not been examined the medical certificate

must be said to be a worthless piece of document. He admits having attended the enquiry and he admitted at the enquiry having left the gate while he was on duty there and also having violated the instructions of the Company in allowing a lorry to enter the Mill premises. The charges against him were therefore admitted and proved. The answer given to the charges by the workman concerned were not certainly satisfactory. Considering the facts and circumstances discussed above the action of the management in dismissing him is justified. He is not entitled to any relief.

Serial No. 3, Shri Rudra Protap

The Union submits that as this particular workman has withdrawn from the case, a no-dispute award may be passed in respect of him.

Serial Nos. 4 to 13

The Company alleges that on 17th March 1959 these workers assembled and surrounded the Managing Director and the Special Officer demanding an additional holiday for Holly festival although according to an award, holiday for one day was allowed for the festival. These workers interfered with the work of the Mill and wrongfully confined the Managing Director and the Special Officer. But the Company informed the Police and at the intervention of the Police the Managing Director could leave the Mill area without any further trouble. Two of these group of 10 workmen are P.W. 4 Sambhu Roy (serial No. 6), and P.W. 5 Sibdas Bera (serial No. 4). They deposed as Union's witnesses. Regarding the alleged occurrence in the Mill on 17th March 1959 these witnesses admit having received charge-sheets and having attended the enquiries. P.W. 4 Sambhu Roy is the Vice-President of the Union and P.W. 5 the Assistant Secretary. Both of them denied having taken any part of any disturbance in the Mill on 17th March 1959 or having any knowledge of the alleged occurrence, although P.W. 4 heard about some kind of trouble in the Mill. The Company's witnesses O.P.W. 2 Shri S. K. Das, O.P.W. 6 Shri Kashiswar Bangrjee deposed at the enquiry as having seen serial No. 4 Sibdas Bera leading a number of workers including serial No. 6 Sambhu Roy and surrounding the Managing Director and the Special Officer. O.P.W. 2 Shri S. K. Das deposed before me that he had seen the workers surrounding the Managing Director and the Special Officer and he had seen serial Nos. 4, 10 and 11 in the crowd. I have considered the testimony of P.Ws. 4 and 5 and O.P.Ws. 2 and 5 and I see nothing to disbelieve the two O.P.Ws. I am satisfied that serial Nos. 4 to 13 took part in the disturbance demanding an extra holiday for the Holly festival and that they surrounded the Managing Director and the Special Officer till they were rescued by the Police. The records of the proceedings and the admission of P.Ws 4 and 5 show that the proceedings were properly conducted and the workmen had opportunities to defend themselves. The charges against these 10 workmen having been proved to the satisfaction of the Manager, the orders of dismissal were justified. These workmen are not entitled to any relief.

Serial No. 14, Shri Baidyanath Chakraborty

He was the Waste Cotton Clerk in the charge of storage and sale of waste cotton and he was required to maintain registers of stock and sale of waste cotton. The Company's allegations against him are that he made false entries in the registers and misappropriated a good amount of money by selling waste cotton and that he made no entries in the registers showing sales of waste cotton from the stock. Admittedly he was charge-sheeted and he attended the enquiry. He stated before the enquiring officer that whatever wrong he did was done at the instance of the then Manager of the Mill. He alleges that at the instance of the then Manager he made wrong entries. That Manager is not in the service of the Company and it is easy for the workman under reference to make allegations against an absent man specially when he left service of the Company long ago. But this kind of allegation does not help him in the least. It was proved that he made false entries in the registers. The disposal of stock by selling was not properly entered with the result that the Company would have every justification to believe that the clerk had misappropriated the sale-proceeds of the waste cotton. The workman could not substantiate his allegation against the then Manager and could not explain the entries in the registers in relation to the stock. Exhibit 13 is the notice that was given to him for the departmental enquiry and Ext. B13 is the record of the proceedings. It appears from the records of the proceedings that it was properly conducted in presence of the workman concerned and as the charge against him was proved to the satisfaction of the enquiring officer, the dismissal of this workman for misconduct was fully justified. He is not entitled to any relief.

Serial No. 16, Moni Sankar

The Union states that this workman has withdrawn from the case and submits that a no-dispute award may be passed in respect of him.

Serial Nos. 15, 19 and 21

The Company alleges that Bharat Shaw was on continuous leave for five months as he was suffering from Pulmonary Tuberculosis. He came to resume his duties with a certificate from a doctor that he was fit to resume his duties. The Mill Medical Officer examined the Skiagram and the report of the Radiologist, and after general examination he was of opinion that this particular workman could not be able to stand the strain of work. He therefore placed the matter before the Manager. At this, workman Bharat Shaw along with Gokul Das and Biswanath and one Dr. S. K. Das forcibly entered the Mill dispensary and Bharat Shaw assaulted the Mill Medical Officer. It was also alleged that Gokul Das and Biswanath Patra used abusive and offensive language against the Mill Medical Officer when the latter came out of the dispensary. These two workmen pulled him and tore his shirt into pieces. Enquiries were held against these three workmen. Gokul and Biswanath Patra attended the enquiry, but Bharat Shaw did not. Exhibit D13 shows that the Manager wrote to Bharat Shaw that in view of the report of the Mill Medical Officer he was to show cause why he should not be discharged from service on account of gross misconduct. Exhibit D20 is the notice of enquiry. Exhibit B14 is the record of the proceedings against Bharat Shaw. Bharat Shaw and Gokul Das did not examine themselves before me. P.W. 7 is Biswanath Patra who says that he replied to the charge-sheet that he had received. It appears from the records of the proceedings (Exts. B14, E16, B18 and B20), that the proceedings were properly conducted and these three workmen had every opportunity to defend themselves. The charge of assault and insult against the Mill Medical Officer having been proved to the satisfaction of the Manager after proper enquiry, the dismissal of these three workmen must be considered to be justified. They are not entitled to any relief.

Serial No. 17, Ramen Roy

The Company alleges that on 12th June 1958 at 7-30 a.m. this workman came to the Mill dispensary and asked for a quantity of boric powder and cotton. The shift compounder Panchanan Chatterjee refused to give him the medicine asked for unless he was satisfied by examination that the workman was suffering from any disease for which he required a quantity of boric powder and cotton. At this there was an altercation. This workman stated in his reply to the charge-sheet (Ext. E14), that he had a boil on his scrotum and he required a little quantity of boric powder and cotton for applying hot compress, but the compounder refused to give him the boric powder unless he was shown the boil on the scrotum. The workman further stated that he felt shy to expose his private parts and although he requested the compounder to give him the boric powder for compress, the latter refused to oblige

him. He admitted both in his statement (Ext. E14) and at the enquiry that he had threatened to assault the compounder as the latter had refused to give him the powder without examining the boil on his private parts, and he offered apology for having said so. This workman, it appears to me, was very truthful and I am fully convinced that this workman required the boric powder and cotton for applying hot compress on the boil on the scrotum and it was not unnatural that he felt shy to expose his private parts. It was also not unnatural for him to have uttered a harsh word on the compounder's refusal to keep a very modest request, for which he soon afterwards offered apology. In my opinion the Company would have done well in accepting the apology and not dismissing instead. A workman in a factory is not a dumb animal and if a workman's genuine and reasonable request for a very small favour, such as supply for personal use of a small quantity of boric powder and cotton from the Mill dispensary is refused by a small fry in the employment of the Company on too technical grounds, the refusal tantamounts to provocation, and if the workman on such provocation utters a threat of assault which is not carried out but for which he expresses his regret and offers apology, the action of the Company in dismissing that workman is a proof of vindictiveness and is opposed to all principles of natural justice. Considering the facts and circumstances of this particular case, I am convinced that the workman is not guilty of such a misconduct that makes him liable to dismissal from service. In my opinion the dismissal of this workman on the facts and circumstances discussed above can never be said to be justified. I find that the action of the Company in dismissing him was unjustified and that the workman is entitled to be reinstated with at least a part of his wages during the period of his forced unemployment.

Serial No. 18, Shri Ramhit

The Company alleges that there were several thefts of Company's property and the Labour Welfare Officer and some other officers of the Company along with the Secretary of the Works Committee made a surprise visit to the labourers' quarters. They searched Ramhit's room and recovered some electric wires, ring frame tapes, reeling brush, etc., all belonging to the Company. Ramhit was charge-sheeted to which he gave a reply. It is admittedly a fact that this workman was not present in his room at the time of the search. But it is in evidence of O.P.W. 2 Shri S. K. Das, the Labour Officer, that his roommates were present at the time of the search and so were some other officers of the Company. The workman instead of giving suitable explanations on the charge of theft or the finding of the Company's property in his room tried to make out a case that at the time of the search a sum of Rs. 25 in cash belonging to him and kept in the room was stolen. But that is a different matter altogether and it is a fact that he failed to substantiate the allegation of theft of his money. He attended the enquiry and examined witnesses (Exts. E15 and B17). I have gone through the evidence of Ramhit (P.W. 6) and Shri S. K. Das (O.P.W. 2) and the documents filed. I am satisfied that the proceedings were properly conducted and it being proved to the satisfaction of the Manager that Ramhit could not give any satisfactory explanation about the recovery of the Company's property from his room, the dismissal of this workman by the Company is justified. He is therefore not entitled to any relief.

Serial No. 20, Shri Hari Mohan Seal

The Company alleges that this workman was found sleeping on duty and was suspended for two days by way of punishment after holding the enquiry. When that order was communicated to him he abused the time-keepers and threatened to assault his superior officer, Shri Ghosal. He was charge-sheeted to which he gave an explanation (Ext. 17). He admitted in his reply to the charge-sheet that he had been found sleeping for which he was suspended and he begged for mercy. There was an enquiry in respect of the present charge (Ext. 19). The records of the proceedings show that he attended the enquiry and signed the papers connected with the proceedings. Witnesses were examined in his presence. It appears to me from the records of the proceedings that the enquiry was properly conducted and the Manager after considering the evidence adduced found this particular workman guilty of misconduct and dismissed him from the service. The proceedings being properly conducted and the charge being satisfactorily proved before the enquiring officer his dismissal must be considered to be justified. He is not entitled to any relief.

Considering all the facts and circumstances discussed above in respect of each and every workman under reference, I give my award as follows:—

(1) A "no-dispute" award be passed in respect of the cases against serial No. 3 Rudra Protap and No. 16 Moni Sankar Shaw.

(2) The dismissal of the workmen (serial Nos. 1, 2, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 18, 19, 20 and 21), being justified they are not entitled to any relief.

(3) The dismissal of workman No. 17 Shri Ramen Roy, being found to be unjustified, the Company is directed to reinstate him in his former post, with continuity of service within 60 days from the date of this award and this particular workman shall be paid compensation amounting to 12 months' salary and allowances out of the period of forced unemployment, within a period of 60 days from the date of the publication of this award.
